Our school year starts Monday 9th September 2024.
Our school day starts at 9:00am.

The sign at the entrance of the school driveway, looks like this.

I will come to school in a taxi. *(It might not be black like this one but it will be a very nice car with a very nice driver.)*

I will be collected from my taxi by my Keyworker.

My Keyworker will open the gate for me and take me this way into school:

I will be taken into the playground/reception area and go in through the wooden doors.

Some children have a phone or a tablet in the taxi with them.
At Clarity we all wait our turn, then put our electronic device in the box.

Lauren and Mary will be in the reception area. They always smile and say 'Hello' in the mornings.

When I arrive, I will use the bathroom to wash my hands.

One bathroom looks like this:

The other looks like this:

Then I will go to the hall for registration and breakfast.

After breakfast I will go to my classroom with my Keyworker.

These are the classes.

I will be in _____ Class.

My Class teacher is _____.

I will stay in my classroom for most of my lessons.

I will start the day and end the day with my class teacher, but some of my lessons will be taught by a different teacher who is a Subject Leader. This is great because this means I will be taught by the best teacher for that subject.

The Subject lead teachers will usually come to my classroom to teach me and my classmates.

Who can I talk to if I'm worried about something?

Who can I talk to if I have a concern?

At Clarity, all of our staff are good listeners and are ready to listen to your concerns. You can talk to your keyworker about your concerns, and they will do their best to help you, or to find the right person to help you.

If you would like to talk to someone else about your concerns or you are worried about the safety of yourself or someone else, you can talk to the school's:
